

GOD INVITES

Jesus uses changed people to change people.

Do you understand what is at stake here? The eternal souls of our family members, friends, co-workers and neighbors who have not yet placed their faith in Jesus. Jesus could have chosen any method He wanted to make the gospel a reality in their lives, but in His sovereign, infinite wisdom, He has entrusted that task to us.

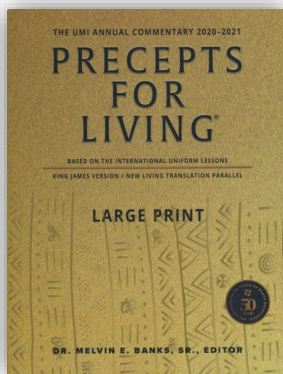

And when the life changing power of Jesus and His Word reaches into our lives and changes us from the inside out, Jesus uses those changed lives to make the gospel a reality in the lives of others so that He can change their lives, too. Don't you want Jesus to use you like that? I do.
